

Dear Sonshine Families,

We are so thankful for the opportunity to take your preschooler's photo this year! Before placing your order, you will be able to view your proofs online. Because each image is fully edited, it takes approximately 48-72 hours from the time your child was photographed before they are able to be viewed on my website.

We are also excited to move to online ordering this year! Online ordering will accept all major credit cards and will enable your digital orders to be completed within 48 hours of payment.
