

Dear Sonshine Families,

We are so thankful for the opportunity to take your preschooler's photo this year! Before placing your order, you will be able to view your proofs online. Because each image is fully edited, it takes approximately 48-72 hours from the time your child was photographed before they can be viewed on my website.

We thank you for your orders, and a percentage of all purchases is returned to Sonshine Academy for additional needs they have throughout the school year. My children went through Sonshine, and it is a privilege to give back to such a great school!
